10 DAYS

110 Cities

## The Plan

***“Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Jesus – Matthew 19:14***

God is calling children everywhere to be “on mission” with Him. They are joining adults in the global prayer and mission movements around the world.

This Children’s Prayer Guide is designed to help children and their families as they participate in 10 Days – Cry for the Harvest. Many children from cities and nations around the world will be joining us as we pray together during these 10 Days.

We will pray for a specific theme each day as we ask God to prepare our hearts to be like His heart.

We will be praying each day for one of the main cities in a specific region of the world. We will also show and pray for other cities in that region that are part of the 110 Cities Initiative – plus a few other important cities in the West.

We will look for practical ways to turn our Prayer into Action.

# Our Vision for the Children

Our prayer is that through this guide we will see...

1. Children hearing the voice of their Heavenly Father
2. Children knowing their identity in Christ
3. Children empowered by God's Spirit to share His love with others
